Town Warrant

THE STATE OF NEW HAMPSHIRE

The Town Meeting will open at seven o'clock in the evening to act upon the following subjects:

(L. S.) To the inhabitants of the Town of Andover in the County of Merrimack in said state, qualified to vote in town affairs:

You are hereby notified to meet at the school auditorium in said Andover on Tuesday, the ninth day of March next, at one o'clock in the afternoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To see if the town will vote to accept the budget as submitted by the Budget Committee.
3. To raise and appropriate such sums of money as may be necessary for the town budget.
4. To see if the town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars ($2500.00) and authorize the Selectmen to use the same to widen, grade and surface the section of West Shore Drive from the Elizabeth Miller cottages to the Otto property. (Article 4 in warrant by request.)
5. To see if the town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars ($2500.00) and authorize the Selectmen to use the same to widen, grade and surface the road around Bradley Lake. (Article 5 in warrant by request.)
6. To see if the town will vote to purchase a new snow plow and to raise and appropriate the sum of Twenty Eight Hundred Dollars ($2800.00) to pay for the same.
7. To see if the town will vote to accept Federal Funds for the improvement of the toilet facilities at Highland Lake Beach and to vote to raise and appropriate the sum of One Thousand Dollars ($1000.00) to match a like amount of Federal Funds for water.
8. To see if the town will vote to join the Kearsarge Visiting Nurse Association and to raise and appropriate the sum of One Thousand Four Hundred Ten Dollars ($1410.00) for the same.
9. To see if the town will vote to establish a Town Conservation Commission as set forth in New Hampshire Statutes R. S. A. 36-A (By Petition)
10. To see if the town will enact the following Ordinance:

"Except as otherwise provided by law, no town officer elected by the voters of the town at an annual or special town meeting, shall be removed from office prior to the expiration of the term for which he was elected, by the Selectmen or a majority of them,

except upon the advice and consent of a majority of the voters present at a public hearing called for the purpose hearing the grievances for which said official should be removed. Notice of said hearing shall be given in the same way as prescribed by law for a special town meeting and, in addition, notice in writing of the hearing and of the grievances to be heard therein, shall be given to the official so charged at least seven (7) days in advance thereof. At said hearing the official so charged shall have the opportunity to hear all testimony against him, to cross examine all witnesses appearing against him, and to present such evidence in his own behalf as he shall deem proper." (By petition)

11. To see if the town will vote to purchase the two remaining buildings at the New England Power Sub Station, together with the fence as it now stands and about sixteen (16) acres of land. And to raise and appropriate the sum of Ten Thousand ($10000.00) Dollars for the same.

12. To see if the town will vote to make any changes in its schedule of rates paid all or any of its help.

13. To see if the town will vote to have the town road agent appointed and hired by the Selectmen, rather than elected by the voters.

14. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

15. To transact any other business that may legally come before this meeting.

		$213,382.61

Selectmen's Report to the Town

This has been a busy year with many projects either started or completed. At the Town Office five new windows were installed and the two rooms given a new coat of paint. Three new windows were purchased to be installed in the Clerks Office the coming year. New windows should be made available and installed in the Library.

Roads

Last year a special appropriation of $2000 was made to fix the road across the meadow on Bridge St. This job was completed in May. T. R. A. money was used to extend last years construction on Graves Hill to a point near the Fenton Cottage, about one half mile. In the fall a new job was started on the road leading to Camp Marlyn.

The Duncan Fund money was to be used on the Taunton Hill Rd. to finish the job started last year. This money was not used and is available to be used this year.

Bridges

A sum of $2500 was raised last year for this item. This is permanent Bridge Construction. The Cheeney Bridge on Kearsarge Mountain Road was rebuilt with a steel bridge.

West Shore Drive Road

Last fall the cottage owners on this road complained about the condition and asked to see what could be done to improve the road. The road is very narrow and a price of $2500 seemed to be about what would be needed to fix the worst part. It is hoped this can be done this summer.

Beach House

The program that was started three years ago for a new beach house or toilet facilities at Highland Lake Beach has been approved in two parts.

Part I calls for a cement block building in three parts or rooms. Flush toilets and septic system as called for by our building code. All Public Buildings shall be provided with flush toilets and septic system.

Part II is for a water supply and pump. The Town is asked to furnish one thousand dollars and the Federal people will furnish an equal amount.

If the town approves the project, the new facility can be in operation this summer.

A few new tables should be provided to ease the table situation that has existed. Four tables are recommended.

New England Power Co. Buildings

New England Power Co. has made the remaining buildings and

sixteen acres of land available to the Town. One Building, Cement Block construction with heating plant and a brick building together with the fence as now exists and the land bordering the State Highway. This property would be sold to the Town without restriction for $10,000.

This property could be resold if the Town did not wish to use it. This would keep it on the Tax list.

Town Dump

Last year a sum of $6,000 was raised with the intention of the purchase of a piece of land for a new dump. A committee named by the Moderator - namely, Mark Thompson, Clyde Currier, Leslie Ford. This committee met with the Selectmen and at the time it was decided to use the remainder of the land that the Town owns around the present dump. This should do for about two more years. The time when we will have to stop burning has been extended. The Town should be looking for a site for the future, and the committee or a committee should continue its work.

Proctor Cemetery

Proctor Cemetery, together with the Proctor Trust Funds, were turned over to the Town in January. In early spring we had a section cleared of brush, trees and stumps and graded. Most of the sunken lots were filled. A lot more work is needed to be done. One row of lots was laid out and made available. Several lots have been sold and the funds turned directly into a revolving fund with the Trustee of Trust Funds. It is recommended that each lot sold will have a Trust Fund set up to take care of the lot. This will make the cemetery more self supporting.

Report Of Building Inspector

During 1970, 34 Building Permits were issued for 4 new houses, 3 cottages, 8 mobile homes, 4 additions, 5 garages and 10 misc. projects.

One request for a subdivision permit was rejected for not conforming to our subdivision control regulations and was not revised or resubmitted and the Planning Board was advised of this rejection.

There is one complaint outstanding, of overcharging by $5.00 for a permit and this is to be resolved by the Selectmen after they inspect and evaluate the construction in question.

In addition to issuing permits, there were 40 on-site inspections involving 23 1/2 hours of time and 200 miles of driving.

GRANT H. CHARLES
Building Inspector

Andover Planning Board

During 1970 the Planning Board was quite busy with various types of activities. It held seven regular monthly meetings and three special meetings since it recommenced operation in June.

The Board of Selectmen appointed three new members to the Planning Board during 1970. These members are Wayne Headley, Gail Smith and Robert Ward.

Regarding Andover's LAND SUBDIVISION REGULATIONS, the Planning Board has produced a procedure guide to assist any persons who may wish to subdivide land in Andover. The guide is a step by step checklist which will clarify the procedure to be followed in subdividing land. Copies of the procedure guide may be obtained from the Secretary of the Planning Board.

During 1970 the Planning Board approved a total of four subdivisions of land. Copies of the ANDOVER LAND SUBDIVISION REGULATIONS may be obtained from the Town Clerk or the Secretary of the Planning Board.

Amendments to the LAND SUBDIVISION REGULATIONS were proposed and passed by the Planning Board, after a public hearing was conducted by the Board in accordance with New Hampshire law, RSA 36:22. A copy of the proceedings of the public hearing and the amendments passed is on file with the Town Clerk.

Regarding the proposed relocation of Route 11 in Andover, the Planning Board has held numerous meetings with interested citizens in town and with the New Hampshire Highway Department. The Planning Board has also conducted an on-foot inspection of the highway relocation corridor which was selected by the Highway Department. The Planning Board will now be conducting several work session meetings with the Highway Department in order to obtain the best possible location and design for the new highway. All interested citizens are invited to attend these work meetings.

The Planning Board is presently working with the Office of State Planning to prepare a new townwide base map for the Town of Andover. Copies of this map should be available sometime this summer.

The Planning Board is interested in knowning how the people of Andover feel about the future of their town — the future growth, development and changes that will undoubtedly occur. Therefore, the Board will be sending out a questionnaire asking the people of Andover for their opinions, comments and suggestions as to the future planning and development of Andover. Assistance and cooperation from everyone in town will be appreciated.

Finally, the Planning Board wishes to remind everyone in town that the regular meetings of the Board are held the first Tuesday

of each month at the Town Hall. These meetings are open to the public and everyone is invited to attend. Notices of special meetings and hearings will be posted at all Post Offices in the Town in order to keep everyone informed of the activities of the Planning Board.

Respectfully submitted,

Gail Smith, Chairman

Robert Ward, Secretary

Andover Rescue Squad, Inc.

During 1970 the Rescue Squad answered thirty-eight calls, and assistance was given to thirty Andover Residents and six non-residents in our local area. Most calls resulted in transportation of patients to or from hospitals. Trip reports show twenty-six calls at New London Hospital, four at Franklin General and one each at the Mary Hitchcock, Lakes Region General, Concord and Merrimack County Hospitals.

All patients, or accident victims, have their own choice of New London or Franklin hospitals. Trips beyond our local area are necessarily restricted to those of an emergency nature by reason of our very limited available man power during daytime working hours. Unfortunately in our bed-room town daytime ambulance drivers and assistants are often in short supply.

The Quick-Call telephone service, by which ten member phones are activated by a single call on 5-5656, is rather expensive but has proved helpful in quickly getting an ambulance crew together in emergencies.

During the year five women, all with at least some First Aid or hospital training, have joined the Rescue Squad and have been of great assistance in handling female patients.

Cost of ambulance operation during 1970:

Insurance	$324.00	
Quick-Call telephone	288.75	
Gasoline and oil	74.58	
Repairs	17.15	
Supplies and new equipment	67.23	
Oxygen supplies	52.60	
Printing and postage	49.23	
Miscellaneous	18.00	
		$895.04

Our thanks go to the town for its support and to all the many local groups and individuals, year round and seasonal, who have contributed so generously toward the work of the rescue squad.

THE ANDOVER RESCUE SQUAD

Emergency number 735-5656

Report of the Trustees of the Trust Funds

On November 24, 1969 the Andover Cemetery Association, represented solely by Mr. John P. Carr of Boston for many years, was dissolved by a decree of the Superior Court after lengthy litigation. All assets of the association were ordered turned over to the Town of Andover, which then became responsible for the care and management of the so-called Proctor Cemetery.

These assets consisted of the real estate, sixty-one individual trust fund bank accounts, four unrestricted bank accounts totaling $1,987.11, a check for a cash balance of $537.16 remaining after settlement of all legal fees attending the court action, and two shares of Boston & Maine Railroad common stock of uncertain value. On March 16, 1970 all of the above financial assets were turned over by the selectmen to the three newly elected trustees of trust funds.

To simplify accounting all unrestricted funds have now been consolidated in a single Proctor Cemetery Operating Account. Also, six of the sixty-one private trusts were found to be duplicates covering care of the same lots, and five have been consolidated, reducing the number to fifty-six.

The trust fund accounts for perpetual care of individual cemetery lots show few if any withdrawals for many yeras, indicating that whatever care these lots have received has been financed by other funds than those established for the purpose. As of January 1, 1970 the accumulated total interest of $11,820.24 far exceeded the original principal of $7,090. This, of course, now favors the town with an increased interest-yielding base, even though much of the accumulated surplus interest cannot be legally used for general care of the cemetery.

We believe that it will be necessary for the town to appropriate money for the general care of the Proctor Cemetery in addition to trust fund income in the same manner that this has been done for other town cemeteries.

Work in this cemetery during the past season has been under the direction of the selectmen and much has been accomplished compared with past years. Much more remains to be done.

The complete report of all Andover trust funds follows, and is correct to the best of our knowledge and belief.

RALPH G. CHAFFEE, Treas.

JOHN W. WHITCOMB

BERTHA W. FENTON

Police Department Report

Board of Selectmen
Gentlemen:

Submitted herewith is the report of the police department for the fiscal year ended December 31, 1970

Police employees have general power to enforce all criminal laws of the state and to serve criminal processes and make arrests under proper warrants. It is our obligation to patrol the highways, enforce the highway traffic laws and regulations, enforce the motor vehicle laws relative thereto and cooperate and exchange information with any other law enforcement agency for the purpose of preventing and detecting crime and apprehending criminals.

The use of the snowmobile as a winter recreational vehicle in this state has experienced phenomenal growth since the first machine was put on the market. This growth has made many individuals aware of the need for more emphasis and attention to be focused on and devoted to the safe handling of these machines, use and landowner relations, and wise legislation to protect the snowmobile enthusiast and others.

With all the good points, snowmobiles are bound to have bad ones too. They allow lawbreakers much easier access to burglarize the othewise inaccessable cottages and summer homees. A small percentage of users, who we might call "the irresponsible minority" are the chasers of wildlife, cutters of fences, trespassers and damagers of valuable trees or property. The overall effect of the action of these individuals have given the snowmobilers a bad name. We have recived ten complaints of improper use so far this winter. If you own or operate a snowmobile and you don't have a law book, I would suggest you pick one up and read it.

Again this year dogs have been the cause of a great many complaints as we received 53 calls. I would again ask that all dog owners cooperate and keep their dogs under control, pay their taxes and get their shots.

The following is the list of general activities:

155 hours on patrol
20 court cases
12 accident investigations
15 aids rendered
5 special details
51 hours criminal investigation
6 criminal arrests
8 summons for out-of-town police departments
3 Fish and Game arrests

Respectfully submitted,
James A. Humphrey, Chief

Andover Nursing Association

The final meeting of the Andover Nursing Association was held January 21st at President Cordelia Graves' home.

The funds which have accrued were disbursed as follows —

Hospital expense for a child	$175.00
Glasses for a child	$28.00
Hot lunch program	$25.00
Ski program	$50.00
Andover Rescue Squad	$100.00
Recreation program	$50.00
Andover Elementary library	$413.64
Total	$841.64

School Board's Report

The school year 1970-71 has been a gratifying one to the School Board of Andover. With the hiring of Mr. George Corson, a well qualified and experienced teacher and administrator, as our principal, we feel we have corrected many of the problems of previous years such as discipline for the children and guidance and leadership for the teaching staff and School Board.

Although able to finish the 1969-70 year with a good-sized surplus it looks as if the year 1970-71 is going to be very close and the surplus, if any, quite minimal.

The budget for 1971-72 has increased in three main areas: tuition, teachers' salaries and transportation. This reflects the ever-increasing costs of education and every effort has been made to keep the total increase to a minimum.

Several improvements to the school in general were carried out this year. The corridor in the old building was extended and both classrooms at the south end of the old building are now being used - uninterrupted by anyone wanting to go from the old building into the new building. A nurse's room has been set up in the former typing room, leaving the teachers' room for the teachers and giving the school nurse a room for her equipment, and a place to administer to children who are ill.

Through the efforts of our custodian, some painting was done in the old building. We would like to have more done, but after getting a bid to do this by a painter, we feel that with the large increase in the budget this year we will hold off for a while.

With the advent of minimum standards for elementary schools, effective in 1972, we have set aside one classroom to be used as a library and are in the process of stocking it with the required number and types of books needed.

New desks and chairs for two rooms were purchased last year, and we have budgeted for another room this coming year. This will leave just one room of new furniture to be purchased the following year.

Because of the minimum standards of 1972, we have budgeted for a ninth teacher for next year, leaving Mr. Corson free to teach

shop and perform guidance duties, in addition to being the administrator of the school.

The members of the school board wish to express their gratitude to each of you for your support and cooperation in the past year. To Mr. Corson, principal, and his staff, Mrs. Nelson and the hot lunch staff, and Mr. Seymour, custodian, your efforts, dedication and plain hard work have made this one of the best years our school has enjoyed for some time.

Thank you for the privilege of serving as your school board.

WALLACE H. SCOTT, Chairman

DENNIS E. FENTON

GAY ELLEN SANBORN

School Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Andover qualified to vote in district affairs:

You are hereby notified to meet at the Andover School Auditorium in said district on the 9th day of March 1971, at one o'clock in the afternoon to act upon the following subjects:

Article I. To choose a Moderator for the coming year.

Article II. To choose a Clerk for the ensuing year.

Article III. To choose a Member of the School Board for the ensuing three years.

Article IV. To choose a Treasurer for the ensuing year.

Article V. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

Article VI. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article VII. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article VIII. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

Article IX To see if the district will vote to raise and appropriate the sum of five hundred ($500) to establish a contingency fund to meet the costs of unanticipated expenses that may arise during the year.

Article X. To conduct any other business that may legally come before said meeting.

Given under our hands at said Andover this 6th day of February 1971.

Report of Superintendent of Schools

To the School Board and Citizens of Andover:

I herewith submit my first annual report as Superintendent of Schools. It has been a pleasure to work with the School Board, school faculty, and citizens in providing for the education of the young people of Andover.

A Title I reading program, supported by federal funds, has been initiated. This program provides additional instruction and materials for pupils who are having difficulty with reading. A special reading teacher is now working with these students on a three days per week basis.

Mr. George Corson has assumed the duties of school principal, along with a full teaching load. The plans for another year call for a fulltime supervising principal.

A substantial amount of painting has been completed this year and has contributed substantially in enhancing the general appearance of the facility. Additionally, a much needed replacement of window shades on most of the rooms on the sunny side of the building has led to a markedly improved situation in the classrooms involved.

In terms of district needs, two problems seem to be most pressing. First, the perennial question of tuitioning high school students is still with us. Tuition costs have been skyrocketing and no relief from this situation is in sight. An even greater problem is the possibility that the number of schools willing to accept our tuition pupils may be reduced. It would seem advantageous to the district to pursue a course of action that would guarantee an arrangement by which our high school students would have a place to attend for an extended period of time.

Second, the State Department Minimum Standards for Elementary Schools are to be implemented beginning in September, 1972. This will mean additional cost to the district in meeting the staffing patterns and program offerings mandated by these standards. Consideration is being given to working out shared arrangements with other districts in implementing these standards.

WILLIAM B. BASTON
Superintendent of Schools

Auditor's Certificate

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Andover School District for the fiscal year ended June 30, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the Andover School District as of June 30, 1970, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,
FREDERICK E. LAPLANTE
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
